

GATE CODE: #3191 (must press # first)

DIRECTIONS TO THE FACILITY

1. Follow the map below to Irvine Regional Park. At the Park's gate, tell the attendant that you are going to The Irvine Ranch Outdoor Education Center, and you will be allowed to enter. If the automatic gate is down and no attendant present, enter your group's four-digit code (beginning with "#") and wait for the arm to lift. **One car at a time.**
2. Once beyond the gate, take the first left. Proceed slowly, as there are large speed bumps on this road.
3. Pass the second "horse crossing" sign, and make a left on the paved road. Before heading up the hill, again enter the four-digit code at the property gate, and then proceed up the paved road.
4. After passing the Conservancy staging area, turn right at the traffic circle and park in the gravel lot.
